Letter No.C.17/- addressed to [illegible] Deputy Commissioner, [illegible] District, to the Vizianagram [illegible] etc.

Subject:- Re: the affairs of the [illegible] Temple, [illegible] Mandal, [illegible] Taluk.

[illegible] to state, herewith [illegible] in connection with the [illegible] Sri [illegible] Temple in the [illegible] Taluk [illegible] Mandal, [illegible] Taluk, [illegible] District, [illegible] Temple, [illegible] Archaka, [illegible] presented an application [illegible] Collector [illegible] Deputy Commissioner [illegible] assistant order [illegible] available for the cost of the repairs and it in excess of that [illegible] fixed in the scale of the [illegible] expenditure [illegible], apart, [illegible] connected records [illegible] called [illegible]. The records disclose the following facts:-

This temple has been classed as a minor Hazrat Institution and the undermentioned inam lands have been granted by Government for its up-keep:-

Sl. No.	Name.	Extent. A.	C.	Assessment.	Jodi etc. payable.
136	Wet	3	39	Rs 16- 0-0	
200	Dry	5	27	" 11- 0-0

scale of income and expenditure sanctioned on the basis of an annual income of Rs 130/- in the year 1918-19 is still in force and according to this a sum of Rs 20-4-0 has been provided under the head reserve for repairs of the temple building etc. As no bids were secured during the several occasions on which the lease sales were held and the archak and the villagers also represented that the reserve amount fixed therein might be reduced to Rs 10/- per annum instead of at Rs 20-4-0, the then Deputy Commissioner ordered on 20th August 26 that the lands might be allowed to continue in the possession of the archak subject to the condition that he should perform the sevas in the temple, pay Government dues besides the payment of a Reserve of Rs 10/- per year for a period of 5 years from 1926-27. As per the sanctioned scale and in accordance with the above order dated 20th August 1926 the archak was liable to pay a total sum of Rs 272-12-0 towards the Reserve as detailed below:-

Year From	To	Rate x Years.		Total	
1918-19 to	1925-26	20-4-0 x 8	= Rs 162- 0-0	as per	sanctioned scale.
1926-27 "	1930-31	10-0-0 x 5	= " 50- 0-0	do.	Deputy Commissioner's order dated 20-8-26.
1931-32 "	1933-34	20-4-0 x 3	= " 60-12-0	do.	sanctioned scale.
	Total		Rs 272-12-0		

But the report of the Amildar shows that he has taken the demand this case as follows:-

1918-19 to 1925-26	20-4-0 x 8	=	Rs 162/-
1926-27 " 1933-34	10-0-0 x 8	=	" 80/-
	Total		Rs 242/-

Though there is no specific order for the recovery of the reserve amount at Rs 10/- per annum from 1931-32 and the scale of income and expenditure sanctioned in 1918-19 is still in force, the Reserve amount has been calculated by the Amildar at that rate only during the year 1931-32, 32-33 and 33-34.

It has been reported that out of a total demand of Rs 242/- a total sum of Rs 160/- has so far been collected from the archak and that when action was taken for the recovery of the balance of Rs 82/- the archak has presented an application praying for the recovery of the Reserve amount at Rs 10/- per year from 18-19 onwards.

The Amildar has held the lease sale of the inam lands for a period of 5 years from 1934-35 on 9th February 1934 and no bids were secured in order to know the actual present income and expenditure to revise the time-barred sale of income and expenditure of the institution. The archak has given a statement on 9th February 1934 stating that some lands are lying banjar for want of cultivators, that the entire S.No.17 is lying [illegible] as ryots do not cultivate the same owing to the fact that the villagers are throwing thereon the dead bodies of people who die from leprosy etc., that there is an annual yield of 8-10 candies of grain which does not admit of the payment of a reserve amount and that therefore the inam tenure of S.No.17 may be cancelled and a Reserve amount of Rs 8/- per annum may be ordered to be recovered.

The Dharmadarsis of the temple have resolved at their meeting that a Reserve amount of Rs 8/- per annum may be ordered to be recovered from the archak and the inam tenure of S.No.17 cancelled.

[illegible] archak has paid the annual [illegible]

due to Government and that the reserve amount due from 1918-19 to end of 1933-34 may be ordered to be recovered at Rs 10/-per annum. He has also stated that on confidential enquiries held by him it is learnt that the annual yield to the archak is not more than 8-10 candies of grains which may cost about Rs 80/- to Rs 90/-, that the inam tenure of S.No.17 may be cancelled and the land resumed to Government and that the reserve amount may be ordered to be paid at Rs 8/- per year.

The Sub Division Officer states that the proposals of the Amildar may be approved.

4. Under the circumstances explained above, I have issued instructions to the Sub Division Officer to recover the Reserve Amount due from the archak from 1918-19 to 1925-26 at Rs 20-4-0 p.a. as is fixed in the sanctioned scale and at Rs 10/- p.a. from 1931-32 to 1933-34 and to lease out the lands except S.No.17 in favour of the archak for 5 years from 1934-35 subject to the performance of necessary sevas in the temple, payment of jodi etc., due to Government besides the payment of a sum of Rs 10/- per year towards the Reserve for repairs etc., and to obtain a lease deed also accordingly as per Rules.

5. I have herewith forwarded the connected vernacular records bearing on the subject for orders of cancellation of the inam tenure of S.No.17 and its resumption to Government which is the only question to be settled in this case, since the land in question is reported to be lying fallow from time immemorial, without yielding any income to the institution.
